

SHROUD SCIENTIFIC MEETING - ELIZABETHTOWN, PENNSYLVANIA

Anyone visiting the U.S.A. in February may be interested to know of an important Shroud conference being held at Elizabethtown College, Elizabethtown, (between Harrisburg and Philadelphia in the state of Pennsylvania), February 15th and 16th, 1986. It is a remarkably well-balanced conference, among those we have agreed to speak being Mr. Joe Nickell and Dr. Walter C. McCrone, well known for their disbelief in the Shroud's authenticity, and Dr. John P. Jackson, Lt. Col. Eric J. Jumper, Dr. Gilbert Lavoie, Dr. Alan Adler and Mr. Paul Maloney, equally well known for the opposite view.
