

LOAN SLIDE COLLECTION

For the last seven years Mr. John Auton has very kindly looked after the Society's loan slide collection as one of his retirement hobbies. Although Mr. Auton will continue to take an interest in the Society, due to advancing years (he says he is past his 'sell by' date!) he has asked if another member could take over responsibility for the slides. Any volunteers? Meanwhile the slides can be applied for via Ian Wilson, and John is most warmly thanked for all his quiet, efficient help to those members who have used the service.

OBITUARY - DAVID VAUGHAN HOULDING

It is with great sadness that we announce the death of BSTS member David Vaughan Houlding. David, who lived at Barbourne, Worcester, was an enthusiast both for the Shroud and for psychic studies, and made a particular study of the Shroud image as evidence for the Resurrection of Jesus. The Society sends its sincere condolences to Mrs. Vaughan Houlding.
