

## CHRONOLOGY

## OF ALAN D. ADLER'S PAPERS ON THE SHROUD OF TURIN

- 1980 J. H. HELLER, A.D. ADLER: "Blood on the Shroud of Turin," *Applied Optics*, 19 (16), 1980, pp. 2742-44.
- 1981 J.H. HELLER, A.D. ADLER: "A Chemical Investigation of the Shroud of Turin," *Canadian Forensic Society Scientific Journal*, 14 (3), 1981, pp. 81-103.
- 1986 A.D. ADLER: "The Origin and Nature of Blood on the Turin Shroud," Excerpts from a lecture presented at the University of Hong Kong, in: *Turin Shroud — Image of Christ?* William Meacham (ed.).
- 1986 G.R. LAVOIE, B.B. LAVOIE, A.D. ADLER: "Blood on the Shroud of Turin. Part III: The Blood on the Face," *Shroud Spectrum International*, 20, 1986, pp. 3-6.
- 1991 A.D. ADLER: "Conservation and Preservation of the Shroud of Turin," *Shroud Spectrum International*, 40, 1991, pp. 2-6.
- 1993 A.D. ADLER, L.A. SCHWALBE: "Conservation of the Shroud of Turin," *Shroud Spectrum International*, 42, 1993, pp. 7-15. Reprinted in *Shroud News* #80, Dec. 1993; as "Conservazione della Sindone di Torino," in *Collegamento pro Sindone*, 1994 (Jul.-Aug.) pp. 29-4; and "Conservation of the Shroud of Turin," in: *L'identification scientifique de l'homme du Linceul: Jesus de Nazareth*. A.A. Upinsky (ed.), Actes du Symposium Scientifique International du CIELT, Rome 1993. Paris 1995, pp. 135-138.
- 1996 A.D. ADLER: "Updating Recent Studies on the Shroud of Turin," M.V. Orna, (ed.), *Archaeological Chemistry: Organic, Inorganic, and Biochemical Analysis*, American Chemical Society, Symposium Series, 625, Washington DC 1996, pp. 223-8. Reprinted in: *Shroud News*, 97, September 1996, pp. 19-23.
- 1997 A.D. ADLER: "Concerning the Side Strip on the Shroud of Turin," in: *Acheiropoietos; non fait de main d'homme*. Actes du III<sup>ème</sup> Symposium Scientifique International du CIELT, Nice 1997. Paris 1998, pp. 103-6.
- 1998 A.D. ADLER, R. SELZER, F. DeBLASE: "Further Spectroscopic Investigations of Samples of the Shroud of Turin," presented at the III Congresso Internazionale di Studi sulla Sindone, Torino, June 1998: in *Proceedings of the 1998 Dallas Shroud Symposium*, Michael Minor (ed.).
- 1998 A.D. ADLER: "The State of the Shroud; Its Conservation, Now and in the Future," a presentation to The Dallas Meeting of American Sindonology, Dallas TX, November 1998, Michael Minor organizer. *Sans paper*.
- 1998 A.D. ADLER: "Aspetti fisico-chimici delle immagini sindoniche," in: B. Barberis, G.M. Zaccone (edd.): *Sindone, Cento Anni di Ricerca*, Istituto Poligrafico e Zecca dello Stato, Rome 1998, pp. 165-84.

- 1999 A.D. ADLER: "The Nature of the Body Images on the Shroud of Turin", Proceedings of the Shroud of Turin International Research Conference, Richmond VA, Bryan Walsh (ed.).
- 2000 A.D. ADLER: "The Shroud Fabric and the Body Image; Chemical and Physical Characteristics", in: *The Turin Shroud; past, present and future*, S. Scannerini and P. Savarino, (edd.), International Scientific Symposium, Turin, March 2-5, 2000, pp. 51-73
- 2000 A.D. ADLER: "Chemical and Physical Characteristics of the Blood Stains", in: *The Turin Shroud; past, present and future*, S. Scannerini and P. Savarino, (edd.), International Scientific Symposium, Turin, March 2-5, 2000, pp. 219-233
- 2000 A.D. ADLER: "Chemical and Physical Aspects of the Sindonic Images", *The Orphaned Manuscript*, Shroud Spectrum International Special Issue, Dorothy Crispino, (ed.).
